

Two-Way Radio Training

Using the GMRS system

- ♦ ***I haven't used my radio. How do the settings work?***
- ♦ ***How do I program different channels?***
- ♦ ***Does it work where there is no cell signal?***
- ♦ ***How does a repeater work?***
- ♦ ***Can I use my radios like a personal walkie-talkie system?***

What to bring: your two-way radio and FCC call sign. If you don't have an FCC license, here's a link:

[GetFCCLicense.pdf \(wraprangely.com\)](#) No test required, takes about an hour to get through the websites, cost is \$35. License arrives by email, usually the next business day.
