5. Service Dog information presented by Adrian, aka “Riku” - laws regarding public access etc, and demonstration of the attention and focus of an actual Service Dog was shown. The difference between a family pet, an Emotional Support Dog and a Service Dog was discussed, and the attributes of each were noted with actual animals. Riku discussed how characteristics that become evident during the course of training disqualify some canine candidates from successfully becoming certified as Service Dogs. She also talked about how to discern phony Service Animals by observing the animal’s behavior when with their human client... nervousness, excessive movement, being distracted what is happening around them, etc.
6. Meeting adjourned at 8:30pm

NOTE: Topic for 9-1-22 WRAP meeting: CERT team information and organization...Community Emergency Response Team Information and discussion to be led by Wayne Jorgenson
